To Whom It May Concern:

I wish to recommend Fram Monument for the excellent service of which Arlington Cemetery receives from Steve Venick and his staff. Whether it is monuments, footstones, a bench or anything else pertaining to cemetery stones, Fram is always able to help. They are caring and understand the needs of their clients. It is difficult for families to choose color, style etc. for their loved ones. Fram Monument makes it easier.

As far as Arlington Cemetery is concerned, Fram is always ready to assist if asked. They are the only monument company that sends unveiling notices ahead of time. This helps us a lot. We at Arlington really appreciate that service.

It is a pleasure to work with Fram Monument.

Sincerely,

Barbara Leibowitz Lichter
Cemetery Director
