To whom it may concern:

Please accept this letter of recommendation on behalf of the Fram Monument Company. Baltimore Hebrew Congregation has been in existence for 177 years and owns and operates two prominent cemeteries in the Baltimore area. I personally have been working with Fram Monument for close to twenty years. Their current owner and president of the company, Steve Venick, and his staff, have been most dependable and reputable, serving many of our congregants with their cemetery needs. The quality of their work and materials used have been superb.

Due to the nature of the cemetery business, we have been able to call upon Mr. Venick and his company for immediate attention, and that's exactly what we receive. Our office can rest assured that Mr. Venick runs an efficient and competitive business to service our needs and the needs of those in the community.

We look forward to many more years of continuing our excellent working relationship with Fram Monument, and can highly recommend their services.

If you have additional questions, please do not hesitate to contact me.

Sincerely,

Jo Ann Windman  
Executive Director
